01:04:57 JAACYWEE: @Jackie Ambrow, Positively-HUB.com - highly recommend Powerful Presentations. I had some of my biggest breakthroughs that empowered me in the area of sales, negotiations and how I show up as a leader.

We have a session coming up this Oct 17 - 19, in Malaysia with Kerry Zurier, Lead Money & You Instructor and trains all upcoming Money & You Instructors

I had a huge block in sales, and communication - it took some time but consistently being the Money & You environment especially when it's uncomfortable while practicing made the difference.

Great reflection as the mirror of the universe abhors a vacuum and will find a way either familiar memory (past) or a transformed thought, belief, experience, etc.

This is why surrender (purifying/cleansing) is so magical when it is honored with purpose and precision that has presence.

Technological mediums or the biological technological miraculous gift is the same.
